

**LELIA
2478-5ES**

Safety Information: Before beginning assembly, read all instructions carefully.

- Please follow all directions thoroughly.
- Do not leave out any steps.
- Review the parts list carefully, if parts are incorrect or missing, please contact parts@ashleyblairecompany.com.

- Please ensure that all connections and fasteners are correctly installed and maintained.
- Please tighten all connections periodically.
- For future reference, do not discard instructions.

Ashley Blaire Company Inc. assumes absolutely no responsibility or liability for damages, injuries, or loss due to the misuse of this product, failure to properly assemble the product, or properly maintain and service the product.

Important: Leave all bolts loose until instructed to tighten.

Step 1

Step 4 & Step 5

Step 2

Step 3

Step 1: Attach Top Stretcher [2] to Leg Assembly [4] by inserting (1) Allen Bolt [B] into hole as shown. Repeat for other Top Stretcher [2].

Step 2: Attach Bottom Stretcher [3] to Leg Assembly [4] by inserting (1) Allen Bolt [B] into hole as shown. Repeat for other Bottom Stretcher [3].

Step 3: Attach remaining Leg Assembly [4] to Top Stretcher [2] and Bottom Stretcher [3] by inserting (4) Allen Bolts [B] into holes as shown.

Step 4: Attach Seat [1] to base assembly by inserting (4) Allen Bolts [B] into holes as shown.

Step 5: For counter stool height, insert Foot Cap [A] into Leg Assembly [4]. For bar stool height, attach Extension Leg [5] to Leg Assembly [4] by inserting (1) Allen Bolt [C], (1) Flat Washer [D], and (1) Lock Washer [E] through Extension Leg [5] into Leg Assembly [4]. Once bolt is tightened, insert Foot Cap [A] into Extension Leg [5].

Step 6: Tighten all bolts and turn your stool over in its upright position.
