Description

The “Elmbridge” backless bar stool is composed of a solid metal construction and fine detailing all of which is bathed in a pebble stone finish. The generously cushioned seat features a 360 degree swivel for comfort and ease while the brown leather upholstery offers class and sophistication to this gorgeous stool. The bombe style legs continue the gorgeous motif of this conversation piece. This bar stool is available in counter and bar height. Allow your guests to revel in excellence with the “Elmbridge” bar stool.
